Coverage for: Ind/Ind + 1/Fam | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage , you can access <u>www.ssspr.com</u> or call (787) 774-6060. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>https://www.healthcare.gov/sbc-glossary</u> or call **1-800-981-3241** to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall deductible? | \$0 | See the Common Medical Events chart below for your costs for services this <u>plan</u> covers. |
| Are there services covered before you meet your <u>deductible</u> ? | Does not apply | You don't have to meet <u>deductibles</u> for specific services, but a <u>copayment</u> or <u>coinsurance</u> may apply. |
| Are there other deductibles for specific services? | No. | You do not have to pay <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For medical, hospital and prescription drug services provided by <u>in-network providers</u> - \$6,350 Individual / \$12,700 Family. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | Premiums, balance billing charges, health care this plan doesn't cover, payments for non essential benefits, <u>out of network coinsurance</u> / <u>copayments</u> , and penalties for failure to obtain precertification for services. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See <u>www.ssspr.com</u> or call 1-800-981-3241 for a list of <u>network</u> providers. | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | You can see the specialist you choose without a referral. |
