

STORE ASSOCIATE BENEFITS AT SEPARATION 2025

This summary is important information about your benefits and final paycheck following your last day of employment with PetSmart. This is a summary and does not replace or alter the official documents that legally govern the terms and operation of PetSmart's benefits plans, policies and procedures.

I. BENEFITS

A. Medical/Dental Triple-S Health Plan (Including Prescription)

Coverage for medical/dental plan with Triple-S Health Plan ends at 11:59 PM on the last day of your pay period. If you're enrolled in the Plan at the time your employment ends, you may elect to continue your coverage through COBRA for a limited time (generally up to 18, 29, or 36 months, depending on your circumstances). You'll have 60 days to make your COBRA election and 45 days thereafter to make your first premium payment. You'll be responsible for paying the full cost of coverage (monthly costs are on the fourth page of this document) as outlined in the COBRA packet that will be mailed to your address on file with PetSmart. If you have questions about your COBRA benefits, call the Benefits Center at 1-888-481-0101.

COBRA plans you are eligible to enroll in can be accessed along with rates in the PetSmart Benefits Portal (digital.alight.com/petsmart).

B. Company Paid Basic Life Insurance and Supplemental Life Insurance

Participation in the Company Paid Basic Life Insurance or Supplemental Life Insurance coverage will end on your last day of employment. You will receive a letter instructing you to call a toll-free number to request applications if you are interested in pursuing the continuation options available to you. If you wish to convert this coverage to an individual policy, you must complete the application form that will be mailed by New York Life to your address on file with PetSmart. Please be aware of the timeframe to complete and return it to New York Life as it is a time sensitive document. By calling New York Life for applications, you will be able to request a quote of the cost of insurance over the phone.

C. Accidental Death and Dismemberment

Participation in Accidental Death and Dismemberment coverage will end on your last day of employment. There is no conversion policy available.

D. Short-Term and Long-Term Disability

Benefits coverage under all disability plans will end on your last day of employment. There is no conversion policy available.

E. Tuition Assistance

If you had an approved Eligibility Request, your courses were completed before your separation and in the last 30 days, but you have not yet submitted your final grade, you may still submit your grades for reimbursement. If you meet the remaining eligibility requirements your reimbursement will be delivered via the normal payroll process (i.e. direct deposit or live check).

F. Vacation Pay

If you are an eligible, full-time associate, payment will be made for any accrued vacation hours less the hours already taken during the calendar year. Unused special vacation hours will be paid to hourly associates. Part-time associates, where required by state law, will be paid for any accrued vacation hours less hours already taken during the calendar year. If you have used vacation hours in excess of the amount accrued, the excess amount may be deducted from the final check or the associate may be required to reimburse the company. Associates who terminate during the first 90 days of employment may not be paid vacation. Director and above positions will have the PetSmart's Flexible Vacation Policy applied and will not have accrued vacation to payout. Pay will be calculated based on the rate earned upon separation. All of the referenced vacation payout processes are paid out in accordance to applicable state or local laws.

G. Sick Leave

Unless otherwise required by law, as is the practice with most employers, there is no payout for unused Sick Leave
