Payment of your covered drug expenses will be subject to any Drug Deductible, any Drug Dispensing Fee Maximum, the Benefit Percentage for drugs and any maximum.

Covered expenses for any prescribed drug will not exceed the price of the lower cost alternative drug that can legally be used to fill the prescription, as listed in the Provincial Drug Benefit Formulary or a lower cost alternative that provides therapeutically similar results as identified by Manulife Financial.

Manulife Financial can limit the covered expense for any drug to that of a lower cost interchangeable drug at the time the drug is purchased.

If there is no lower cost alternative drug for the prescribed drug, the amount payable is based on the cost of the prescribed drug.

- No Substitution Prescriptions

If your prescription contains a written direction from your physician or dentist that the prescribed drug is not to be substituted with another product, the maximum amount covered is the price of the lower cost alternative drug that can legally be used to fill the prescription, as listed in the Provincial Drug Benefit Formulary or a lower cost alternative that provides therapeutically similar results as identified by Manulife Financial.

If there is no lower cost alternative drug for the prescribed drug, the amount payable is based on the cost of the prescribed drug.

Reimbursement at the cost of a prescribed drug, where a lower cost alternative drug is available, will only be considered if medical evidence is provided by the treating physician to support why the lower cost alternative drug cannot be tolerated or is ineffective.

Payment of your covered drug expenses will be subject to any Drug Deductible, any Drug Dispensing Fee Maximum, the Benefit Percentage for drugs and any maximum.

- Payment of Drug Claims

Your Pay Direct Drug Card provides your pharmacist with immediate confirmation of covered drug expenses. This means that when you present your Pay Direct Drug Card to your pharmacist at the time of purchase, you and your eligible dependents will not incur out-of-pocket expenses for the full cost of the prescription.

The Pay Direct Drug Card is honoured by participating pharmacists displaying the appropriate Pay Direct Drug decal.

To fill a prescription for covered drug expenses:

- a) present your Pay Direct Drug Card to the pharmacist at the time of purchase, and
- b) pay any amounts that are not covered under this benefit.

Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Employer's Representative

Your employer is responsible for ensuring that all employees are covered for the Benefits to which they are entitled by reporting all new enrolments, terminations, changes, etc., and keeping all records up to date.

As a member of this Group Benefit Program, it is up to you to provide your employer with the necessary information to perform such duties.

Your Employer's representative is _____
Phone Number: _____

Applying for Group Benefits

To apply for Group Benefits, you must submit a completed Enrolment or Re-enrolment Application form, available from your employer. Your employer then forwards the application to Manulife Financial.

Making Changes

To ensure that coverage is kept up to date for yourself and your dependents, it is vital that you report any changes to your employer. Such changes could include:

- change in Dependent Coverage
- change in Beneficiary
- applying for coverage previously waived
- change in Name

The Claims Process

Naming a Beneficiary

Manulife Financial does not accept beneficiary designations for any benefits other than Employee Life Insurance, Employee Optional Life Insurance and Accidental Death and Dismemberment.

This Plan contains a provision removing or restricting the right of the covered person to designate persons to whom or for whose benefit money is to be payable.

How to Submit a Claim

All claim forms, available from your employer, must be correctly completed, dated and signed. Remember, always provide your Group Policy Number, Plan Document Number and your Certificate number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim.

Your employer can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

You may not commence legal action against the Employer or the Administrator less than 60 days after proof has been filed as outlined under Submitting a Claim. Every action or proceeding against the Employer or the Administrator for the recovery of money payable under the plan is absolutely barred unless commenced within the time set out in the Insurance Act or applicable legislation.

Payment of Extended Health Care and Dental Claims

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, your employer will help explain.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

You should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact your employer.

Co-ordination of Extended Health Care and Dental Care Benefits

If you or your dependents are covered for similar benefits under another Plan, this information will be taken into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of covered medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Plan means:

- other Group Benefit Programs,
- any other arrangement of coverage for individuals in a group, and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the “Primary Carrier” (i.e., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the “Secondary Carrier” (i.e., responsible for making the payment to cover the remaining eligible expense).

- If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- For Claims incurred by you or your Dependent Spouse:

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.

In situations where you or your Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
- The Plan where the person is covered as an active part-time employee, then
- The Plan where the person is covered as a retiree.

- For Claims incurred by your Dependent Child:

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
- The Plan of the spouse of the parent with custody of the child (i.e., if the parent with custody of the child remarries or has a common-law spouse, the new spouse’s Plan will pay benefits for the Dependent Child), then
- The Plan of the parent not having custody of the child, then
- The Plan of the spouse of the parent not having custody of the child (i.e., if the parent without custody of the child remarries or has a common-law spouse, the new spouse’s Plan will pay benefits for the Dependent Child).
- Where you and your spouse share joint custody of the child, the Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

The Claims Process

- A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.
- If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.
- If the person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

Definition of Totally Disabled

Totally Disabled means a restriction or lack of ability due to an illness or injury which prevents you from performing the essential duties of:

- your own occupation, during the Qualifying Period and the 2 years immediately following the Qualifying Period

Entitlement Criteria

To be entitled to Waiver of Premium, you must meet the following criteria:

The expenses specified are covered to the extent that they are reasonable and customary, as determined by Manulife Financial or your employer, provided they are:

- medically necessary for the treatment of an illness or injury and recommended by a physician
- incurred for the care of a person while covered under this Group Benefit Program

- not covered under the Provincial Plan or any other government-sponsored program

In the event that a provincial plan or government-sponsored program or plan or legally mandated program excludes, discontinues or reduces payment for any services, treatments or supplies formerly covered in full or in part by such plan or program, this plan will not automatically assume coverage of the charges for such treatments, services or supplies, but will reserve the right to determine, at the time of change, whether the expenses will be considered eligible or not.

This plan will not automatically assume eligibility for all drugs, services and supplies. New drugs, existing drugs with new indications, services and supplies are reviewed by Manulife Financial using the due diligence process. Once this process has been completed, the decision will be made by Manulife

Financial to include as a covered expense, include with prior authorization criteria, exclude or apply maximum limits.

Manulife Financial maintains a list of drugs, services and supplies that require prior authorization. Prior authorization is applied to ensure that the therapy prescribed is medically necessary. Where there are lower cost alternative treatments or prescribing guidelines recommend alternative drugs be tried first that are lower in cost, you or your eligible dependents will be required to have tried an alternative treatment unless medical contraindications to alternative treatments exist.

At Manulife Financial's discretion, medical information, test results or other documentation will be required from your physician to determine the eligibility of the drug, service or supply.

Manulife Financial has the right to ensure you or your dependents access Manulife Financial's exclusive distribution channels where applicable when purchasing a drug, service or supply. Manulife Financial may decline a drug, service or supply purchased from a provider outside the exclusive distribution channel.

Adherence

Non-compliance may result in the drug, service or supply no longer being eligible for reimbursement.

Patient Assistance Programs

Manulife Financial may require you or your dependents to apply to and participate in any patient assistance program to which you or your dependents are entitled. Manulife Financial reserves the right to reduce the amount of a covered expense by the amount of financial assistance you or your dependents are entitled to receive under a patient assistance program.

Covered expenses for any prescribed drug will not exceed the price of the lower cost alternative drug that can legally be used to fill the prescription, as listed in the Provincial Drug Benefit Formulary or a lower cost alternative that provides therapeutically similar results as identified by Manulife Financial.

Manulife Financial can limit the covered expense for any drug to that of a lower cost interchangeable drug at the time the drug is purchased.

If there is no lower cost alternative drug for the prescribed drug, the amount payable is based on the cost of the prescribed drug.

- No Substitution Prescriptions

If your prescription contains a written direction from your physician or dentist that the prescribed drug is not to be substituted with another product, the maximum amount covered is the price of the lower cost alternative drug that can legally be used to fill the prescription, as listed in the Provincial Drug Benefit Formulary or a lower cost alternative that provides therapeutically similar results as identified by Manulife Financial.

If there is no lower cost alternative drug for the prescribed drug, the amount payable is based on the cost of the prescribed drug.

Payment of your covered drug expenses will be subject to any Drug Deductible, any Drug Dispensing Fee Maximum, the Benefit Percentage for drugs and any maximum.

Medical Emergency Assistance

A Medical Emergency is:

- a sudden, unexpected injury or a new medical condition which occurs while a covered person (you or your dependent) is travelling outside of his province of residence, or
- a specific medical problem or chronic condition that was diagnosed but medically stable prior to departure

Stable means that, in the 90 days before departure, the covered person (you or your dependent) has not:

- been treated or tested for any new symptoms or conditions
- had an increase or worsening of any existing symptoms
- changed treatments or medications (other than normal adjustments for ongoing care)
- been admitted to the hospital for treatment of the condition

Coverage is not available if you (or your dependents) have scheduled non-routine appointments, tests or treatments for the condition or an undiagnosed condition.

Coverage is also available for medical emergencies related to pregnancy as long as travel is completed at least 4 weeks before the due date.

A medical emergency ends when the attending physician feels that, based on the medical evidence, a patient is stable enough to return to his home province or territory.

Tax Status of Benefits

The tax position of any payments you receive under this benefit depends on whether you or your employer pays the cost of the benefit.

If your employer pays a portion or all of the cost, then any disability benefit payments you receive will be taxable. If you pay the full cost of the benefit, then any disability benefit payments you receive will be non-taxable.

Payment of Disability Benefits

Disability benefit payments will be made weekly in arrears. Any payment for a period of less than one week will be made at a daily rate of one-seventh of your weekly benefit amount.

Rehabilitation Assistance

Once your employer or Manulife Financial determines that you are Totally Disabled, if appropriate, and at your employer or Manulife Financial's discretion, you may be offered rehabilitation to assist you in returning to work.

In considering whether Rehabilitation Assistance is appropriate for you, your employer or Manulife Financial will take into account:

- Vocational Plan

A Vocational Plan is a training or job placement program that is expected to facilitate your return to work.

If you receive any earnings as part of the plan, your disability benefit will be reduced once your total income (your disability benefit plus your earnings) exceeds 100% of your pre-disability gross earnings; net earnings if your benefit is not taxable.

If you cease to participate in the Vocational Plan because of a change in your medical status, your employer or Manulife Financial will require medical evidence documenting how your current medical status prevents you from continuing with the Vocational Plan.

If you are not available or do not co-operate or participate in the Vocational Plan, you will no longer be entitled to disability benefits.

Your disability benefit payments will cease on the earliest of:

- the date you cease to be Totally Disabled, as defined under this benefit

- the date you retire
- the date of your death

Recurrent Disability

If you become Totally Disabled again from the same or related causes within 2 weeks from the end of the period for which Weekly Income benefits were paid, the disability will be treated as a continuation of your previous disability.

You will not be required to satisfy any applicable Qualifying Period again. The benefit payable to you will be based on your earnings as at the date of your previous disability. Benefits for all such recurrent disabilities will not be paid for a combined period longer than the Maximum Benefit Period for this benefit.

If the same disability recurs more than 2 weeks after the end of the period for which benefits were paid, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of at least one day.

Entitlement Criteria

To be entitled to disability benefits, you must meet the following criteria:

- you must be continuously Totally Disabled throughout the Qualifying Period. If you cease to be Totally Disabled during this period and then become disabled again within 3 weeks due to the same or related illness or injury, your Qualifying Period will be extended by the number of days during which you ceased to be Totally Disabled.

Your Group Benefits

- Manulife Financial must receive medical evidence documenting how your illness or injury causes restrictions or lack of ability, such that you are prevented from performing the essential duties of:
 - your own occupation, during the Qualifying Period and the following 2 years, and
 - any occupation for which you are qualified, or may reasonably become qualified, by training, education or experience, after the 2 years specified above
- you must be receiving from a physician, regular, ongoing care and treatment appropriate for your disabling condition, as determined by Manulife Financial

At any time, Manulife Financial may require you to submit to a medical, psychiatric, psychological, functional, educational and/or vocational examination or evaluation by an examiner selected by Manulife Financial.

Periods for Which You are Not Entitled to Benefits

You are not entitled to benefit payments for any period that you are:

- not receiving from a physician, regular, ongoing care and treatment appropriate for your disabling condition, as determined by Manulife Financial
- receiving Employment Insurance maternity or parental benefits
- on lay-off during which you become Totally Disabled
- on leave of absence during which you become Totally Disabled, unless your employer is required to pay benefits during this period as a result of legislation, regulation or case law
- receiving benefits under an employer-sponsored salary continuance or short term wage loss replacement plan
- working in any occupation, except as provided for under the Rehabilitation Assistance provision
- incarcerated in a prison, correctional facility, or mental institution by order of authority of a criminal court

Amount of Disability Benefit Payable

The amount of disability benefit payable to you is the Benefit Amount shown above reduced by any disability benefits you receive or are entitled to receive from the following sources for the same or related disability:

- Workers' Compensation or similar coverage
- Canada or Quebec Pension Plans, including dependent benefits
- any government motor vehicle automobile insurance plan or policy, unless prohibited by law

If necessary, the amount of your benefit will be further reduced so that your total income from all sources does not exceed 85% of your pre-disability gross earnings (net earnings, if your benefit is non-taxable). All sources include those sources stated above and any benefit you are entitled to receive from:

- any group, association or franchise plan
- any retirement or pension plan

Your Group Benefits

- earnings or payments from any employer, including severance payments and vacation pay
- self-employment
- any government plan, excluding Employment Insurance Benefits

Once benefits become payable, the amount of your benefit will not be affected by any subsequent cost of living increase in benefits you are receiving from other sources.

Benefit Calculation Rules

Manulife Financial will apply the following rules in determining your disability benefit:

- benefits payable from other sources which began before the commencement of your current Disability will not be taken into account
- benefits payable from other sources will not be adjusted to take into account any difference between the tax status of those benefits and the benefit payable by Manulife Financial
- subsequent changes in benefits from other sources, other than cost of living increases, will be taken into consideration and a new benefit amount may be established
- benefits payable under individual disability income insurance will not be taken into account
- for benefits payable other than on a monthly basis, a monthly equivalent of such benefit will be estimated by Manulife Financial, and
- if you do not apply for a benefit for which you are eligible, the amount of such benefit will be estimated by Manulife Financial and assumed to be paid

Subrogation

If your disability is caused by another person and you have a legal right to recover damages, Manulife Financial will request that you complete a subrogation reimbursement agreement when you submit your Long Term Disability claim.

On settlement or judgement of your legal action, you will be required to reimburse Manulife Financial those amounts you recover which, when added to the disability benefits that Manulife Financial paid to you, exceed 100% of your lost income.

Tax Status

The tax position of any payments you receive under this benefit depends on whether you or your employer pays the cost of the benefit.

If your employer pays a portion or all of the cost, then any disability benefit payments you receive will be taxable. If you pay the full cost of the benefit, then any disability benefit payments you receive will be non-taxable.

Payment of Disability Benefits

Disability benefit payments will be made monthly in arrears. Any payment for a period of less than one month will be made at a daily rate of one-thirtieth of your monthly benefit amount.

Rehabilitation Assistance

Once Manulife Financial determines that you are Totally Disabled, if appropriate, and at Manulife Financial's discretion, you may be offered rehabilitation to assist you in returning to gainful employment, either to your pre-disability occupation or to another occupation.

In considering whether Rehabilitation Assistance is appropriate for you, Manulife Financial will take into account:

- the nature, extent and expected duration of your disability
- your level of education, training or experience
- the nature, scope, objectives and cost of a Vocational Plan

- Vocational Plan

A Vocational Plan is a training or job placement program that is expected to facilitate your return to gainful employment.

If it is determined that Rehabilitation Assistance is appropriate for you, in partnership with you and your employer, Manulife Financial will provide a structured Vocational Plan that will prepare you for a return to work, either:

- with your employer
- with an alternate employer
- in a self-employed capacity

- Disability Benefits During Rehabilitation

You will continue to be entitled to disability benefits while participating in the Vocational Plan. If you receive any earnings as part of the plan, your disability benefit will be reduced once your total income (your disability benefit plus your earnings) exceeds 100% of your pre-disability gross earnings; net earnings if your benefit is not taxable.

If you cease to participate in the Vocational Plan because of a change in your medical status, Manulife Financial will require medical evidence documenting how your current medical status prevents you from continuing with the Vocational Plan.

If you are not available or do not co-operate or participate in the Vocational Plan, you will no longer be entitled to disability benefits.

Termination of Benefit Payments

Your disability benefit payments will cease on the earliest of:

- the date you cease to be Totally Disabled, as defined under this benefit
- the date you do not supply Manulife Financial with appropriate medical evidence documenting how your illness or injury causes restrictions or lack of ability such that you are prevented from performing the essential duties of:
 - your own occupation, during the Qualifying Period and the following 2 years, and
 - any occupation for which you are qualified, or may reasonably become qualified, by training, education or experience, after the 2 years specified above

Your Group Benefits

- the date you do not attend an examination by an examiner selected by Manulife Financial
- the date on which benefits have been paid up to the Maximum Benefit Period for this benefit
- the date of your death

Recurrent Disability

If you become Totally Disabled again from the same or related causes within 6 months from the end of the period for which Long Term Disability benefits were paid, Manulife Financial will treat the disability as a continuation of your previous disability.

You will not be required to satisfy the Qualifying Period again. The benefit payable to you will be based on your earnings as at the date of your previous disability. Benefits for all such recurrent disabilities will not be paid for a combined period longer than the Maximum Benefit Period for this benefit.

If the same disability recurs more than 6 months after the end of the period for which benefits were paid, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of at least one day.

Waiver of Premium

The premium for your Long Term Disability benefit will be waived during any period you are entitled to receive Long Term Disability benefit payments.

Survivor Benefit

If you die while disability benefits are payable, Manulife Financial will pay a benefit to your surviving dependents. If there are no surviving dependents, the benefit is payable to your estate.

The amount of the Survivor Benefit payable is 3 times your last monthly benefit payment, less the amount of any outstanding benefit overpayments.

Submitting a Claim

To submit a claim, you must complete the Long Term Disability claim form which is available from your Plan Administrator. Your attending physician must also complete a portion of this form.

A completed claim form must be submitted to Manulife Financial within 180 days from the end of the Qualifying Period.

Exclusions

No benefits are payable for any disability related to:

- self-inflicted injuries, unless medical evidence establishes that the injuries are related to a mental health illness
- war, insurrection, the hostile actions of any armed forces or participation in a riot or civil commotion
- medical or surgical care which is not medically necessary
- the committing of or the attempt to commit an assault or criminal offence

Your Group Benefits

- injuries sustained while operating a motor vehicle while under the influence of any intoxicant, including alcohol
- abuse of addictive substances, including drugs and alcohol, unless you are actively participating and co-operating in an in-patient medical treatment program for substance abuse which has been approved by Manulife Financial
- a Pre-Existing Condition which causes disability within the first 12 months of your Long Term Disability coverage. A Pre-Existing Condition is any injury or illness (whether diagnosed or not) for which you were treated or attended by a physician, or for which drugs were prescribed, within 90 days prior to the effective date of your coverage.
